

Recent Developments In Traceable Dimensional Measurements III: 31 July-1 August, 2005, San Diego, California

by Jennifer E Decker; Gwo-Sheng Peng; Society of Photo-optical Instrumentation Engineers

Recent developments in traceable dimensional measurements III 31 July-1 August 2005, San Diego, California / . Other Authors: Decker, Jennifer E., Peng, Aug 1, 2005 . Recent Developments In Traceable Dimensional Measurements III: 31 July-1 August, 2005, San Diego, California. by Jennifer E Decker; Low-cost precision rotary index calibration Browse Mathematics : Mensuration Books - TextbookRush (Page 17) Methods for evaluating the reference value in laboratory . Recent developments in traceable dimensional measurements II [electronic resource] . III [electronic resource] : 31 July-1 August 2005, San Diego, California / . Absolute distance metrology with frequency sweeping interferometry . by measuring photoelectric incremental encoders, Recent developments in traceable dimensional measurements III: 31 July - 1 August 2005, San Diego, California, USA ; (Proceedings of SPIE: 5879): (2005), 587908-1 - 587908-9. [zurück]. Recent developments in traceable dimensional measurements III . Sep 1, 2005 . Recent Developments in Traceable Dimensional Measurements III Decker; Gwo-Sheng Peng; San Diego, California, USA July 31, 2005 Optical Engineering (December 1, 2013) Proceedings of SPIE (August 07 2015). Absolute distance metrology for space interferometers
